Help Momma earn an 8-day cruise to ALASKA!

Avon offers a travel incentive each year and this years trip is an 8-day all expenses paid cruise to ALASKA!!

To earn the cruise for one, Momma needs to sell \$110,000.00 worth of Avon between March, 2002 and

March 2003. She has already sold over \$51,000 -- she's almost HALF WAY to earning the trip of a

lifetime!! You can help! Each purchase that you make counts toward her goal. Also -- if you take your

brochure and get orders from your friends and let Momma fill those orders for you, she'll give you a discount

and you'll be helping her get closer to her cruise. If you call in the names and addresses of friends that want

Avon service so that we can send them a brochure -- that helps, too! Every item sold counts toward this trip --

so ask your family and friends if they are looking for Avon service and tell them about Momma and the cruise

and give them our contact information. THANK YOU for helping Momma make one of her dreams come

true! If you'd like to e-mail Momma some words of encouragement, send them to
