Valentine's Day

Is your sweetheart not the most thoughtful guy?
Here's a tip for you that your sweetie will really appreciate -- rip out the page in the enclosed Avon brochure that shows the gift that you'd most like to receive on Valentine's Day, circle the item and add our phone number to the page -- then leave it in a strategic location for that not-so-sutle hint! Believe me, most guys don't know what to get anyway, you'd be doing them a favor AND getting something you'd really like!
Try placing your page in his briefcase, tape it to his bathroom mirror, fold it up and stick it in his wallet or tape it to the steering wheel of his truck. He'll love you for making it easy to get you something you really want!

Momma's Cruise Update

Avon offers a travel incentive each year and this years trip is an 8-day all expenses paid cruise to ALASKA!! To earn the cruise for one, Momma needs to sell \$110,000.00 worth of Avon between March, 2002 and March 2003. Momma's sales have reached over \$71,000.00 **THANKS TO YOU** -- but she still has quite a ways to go. Who do you know that might be interested in seeing an Avon brochure? Which organizations in your area might be interested in an Avon fundraiser? Do you know people at your work or office that might want to look at an Avon brochure? Every sale brings Momma one step closer to her goal. If you know anyone that might want to see a brochure, please call her at 1-800-258-1815 or e-mail her at AvonNH@aol.com. Your help is greatly appreciated!
